Children of the RMS Titanic

*A World Exclusive
Starting March 2023*

*For the first time, guests will see shoes worn on the Titanic by
Second Class Passenger Alden Caldwell, age 10 months old.*

“There were 135 children on board *Titanic*, with ages ranging from 9 weeks to 15 years, each with a story to tell. This is our mission for 2023, to shine a light on their young lives, to speak their names, and to honor their legacy. The iconic image of the children’s shoes serves to capture the spirit of this major event and prepare our guests for a powerful new look into *Titanic*’s final days through the eyes of children,” Kellogg-Joslyn says.

*Life begins with baby steps, innocents at sea,
each pair of shoes were on a path lined with
Hope, Courage & Resilience.*

The Titanic Museum Attraction opens daily at 9 a.m. Reservations are required and can be made online at www.titanicattraction.com or by phone at 800-381-7670.
